# APARTMENT NO.5

## CLEF DES CHAMPS | LES GETS

Location, location, location. Wherever we are in the world, it's all about those three words. And location is the mantra of No.5.

From No.5 you can practically ski to your own front door. Your nearest ski-lift is just 150 meters away, and the ski slopes of Les Gets descend right down into the village. Ski in, change out of those ski boots, then walk out, directly into the heart of Les Gets - for après, for dinner, for shopping, for people-watching, it's all easily accessible on foot.

The facilities at No.5 go without saying because No.5 is little brother of The Penthouse. Located in the same building, it offers the same alpine luxury to our modern mountain traveller, but with all the freedom of a self-catered experience. All the luxury, the perfect location, and the ultimate freedom. The trifecta of a perfect luxury ski break.
